

# Generating a report...

A guide to creating reports on the new look Cambridgeshire Insight!

<http://cambridgeshireinsight.org.uk/>

You may wish to generate a statistical report on a specific geography such as your local ward / parish or a wider area for example a district or combined authority. This short guide provides a simple overview of report generation on the new Cambridgeshire

Welcome to Cambridgeshire Insight

Cambridgeshire Insight is a shared research knowledge base for the Cambridgeshire and Peterborough area. It allows u

The 'Quick Profiles' tool below provides an overview report for wards within Cambridgeshire and Peterborough. To view m

We also publish local Open Datasets within the Cambridgeshire Insight partnership of local organisations via our Open Da

Our homepage contains direct access to interactive reporting across key themes whilst you can access all information across all themes via our main menu.

To generate a report, hover the cursor over the 'Maps and Reports' drop down menu and then the 'Reports' option

Then choose the desired geography you wish to view in the report

You can then choose the theme by clicking on the desired option

SELECT A GEOGRAPHY Ward SELECT AN AREA Abbey

Information on housing and households can help to identify areas where people may be at risk of social exclusion, due to the type and condition of their housing or their household structure.

This report allows you to explore the house prices and sales, council tax, household size, ownership and tenancy, heating and overcrowding within Abbey.

4,450 Number of all properties in Abbey (2017) Source: VOA

£328,000 Median price paid for a property in Abbey (Q4-2016) Source: ONS

6.4% of households are overcrowded in Abbey Source: ONS Census 2011

To change the location within the selected geography click on the drop down menu and select whichever location you wish.

To change the geography from ward to district for example, click on the 'select a geography' button.

To change the theme of the report please return to the 'Maps and Reports' drop down menu at the top of the page and repeat the process.

To print a report click on the printer icon as shown.
