

**Future East**  
Meeting the Challenges of an Ageing Society

## **FUTURE EAST PHOTO COMPETITION 2016**

*Closing date Friday 30<sup>th</sup> September*

**UK Older People's Day** is on 1st October every year to coincide with the UN International Day of Older Persons. The main aim for the day is to be a celebration of the achievements and contributions that older people make to our society and the economy. Older People's Day supports the campaign to challenge negative attitudes and outdated stereotypes.

**October** is Celebrating Age Month and our AGM is on October 17<sup>th</sup> during our Open Meeting at the Meadows Centre, Cambridge. So join us in celebrating Older People and the organisations that support them by sharing all the amazing people and projects that are going on across the Eastern Region.

Good luck and we hope you enjoy taking your photographs for the competition.

Our sponsors will choose the shortlist and attendees at the Open Meeting will choose the winner. First prize is £100 for the organisation and £50 for the photographer
