# WELLBEING ACORN PROFILE REPORT

#### WHAT IS WELLBEING ACORN?

Wellbeing Acorn is a geodemographic segmentation of the UK's population designed specifically for health and wellbeing issues.

Wellbeing Acorn segments the population into 4 groups (Health Challenges; At Risk; Caution; Healthy) and 25 types describing the health and wellbeing attributes of each postcode across the country. By analysing significant social and health related behaviour, it provides precise information and an in depth understanding of upstream issues affected by current lifestyle traits.

It delivers an improved perception of local community needs and delivers an ability to target health and wellbeing strategies.

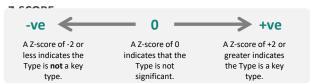

#### **INTERPRETING THE REPORT**

The Wellbeing Acorn profile report helps you understand the underlying demographics, lifestyle and health attributes of your customers and service users by comparing their Wellbeing Acorn profile to a base (e.g. UK population, area or other customer groups).

## **WELLBEING ACORN - WHAT IS IT?**

Wellbeing Acorn is a geodemographic segmentation of the UK's population designed specifically for health and wellbeing issues.

Wellbeing Acorn segments the population into 4 groups (Health Challenges; At Risk; Caution; Healthy) and 25 types describing the health and wellbeing attributes of each postcode across the country. By analysing significant social and health related behaviour, it provides precise information and an in depth understanding of upstream issues affected by current lifestyle traits.

It delivers an improved perception of local community needs and delivers an ability to target health and wellbeing strategies.

This Wellbeing Acorn profile provides a detailed understanding of the people who interact with your organisation. It helps you learn about their health and wellbeing needs. This knowledge gives you the opportunity to target resources and strategies to improve service delivery.

The User Guide (available to download from the products section at http://www.caci.co.uk) describes each Wellbeing Acorn type across a wide range of demographic, behavioural, health and lifestyle attributes. The descriptions of each group and type provides an overview of the wider range of topics for which information is available (see Wellbeing Acorn Knowledge for full database).

Wellbeing Acorn draws on a wide range of data source, both commercial and public sector, including the Health Survey for England.
